

## Bulletin 16-32

---

### **FEMA Disaster Declaration for the State of Florida**

The Federal Emergency Management Agency (FEMA) issued a Disaster Declaration for the state of Florida due to Hurricane Hermine

**Declaration Date:** September 28, 2016

**Incident Period:** August 31, 2016 to September 12, 2016

The following counties were identified by FEMA:

Citrus, Dixie, Hernando, Hillsborough, Leon, Levy, Pasco, and Pinellas counties.

If the subject property is located in one of the above counties and the appraisal was completed on or before September 12, 2016 HomeBridge will require one of the following:

- An Appraisal Update and/or Completion Report (Fannie Mae Form 1004D), **or**
- A Desktop Underwriter Property Inspection Report (Fannie Mae Form 2075).

HomeBridge prefers the original appraiser provide the 1004D or 2075 however HomeBridge will accept the report from any appraiser as long as the original Appraisal Management Company assigns the appraiser (i.e. if the original appraisal order was placed through StreetLinks, the 1004D or 2075 must also be ordered through StreetLinks).

A 2075 is also required on the following:

- A DU Refi Plus transaction with a property inspection waiver (PIW).
- An FHA Streamline without an appraisal.
- A VA IRRRL.

The 1004D or 2075 must comment on the effect the disaster had on the value and marketability of the subject property.

In the event significant damage is indicated on the 1004D or 2075 additional conditions may apply.
