FEMA updated the Disaster Declaration to include additional parishes; refer to the highlight below

The Federal Emergency Management Agency (FEMA) issued a Disaster Declaration for the state of Louisiana due to Hurricane Laura

Declaration Date: August 28, 2020

Incident Period: August 22, 2020 to August 27, 2020

The following parishes were identified by FEMA:

Acadia, Allen, Beauregard, Caddo, Calcasieu, Cameron, Grant, Jackson, Jefferson Davis, La Salle, Lincoln, Morehouse, Natchitoches, Ouachita, Rapides, Sabine, St. Landry, Union, Vermilion, Vernon, Winn

If the subject property is located in one of the above parishes and the appraisal was completed on or before August 27, 2020 Homebridge will require one of the following:

- An Appraisal Update and/or Completion Report (Fannie Mae Form 1004D), or
- A Desktop Underwriter Property Inspection Report (Fannie Mae Form 2075), or
- Catastrophic Disaster Area Property Inspection Report (CDAIR); refer to <u>Homebridge Bulletin 17-23</u> for details, **AND**
- VA transactions only (when appraisal was required). A signed Lender and Veteran Certification

Homebridge prefers the original appraiser provide the 1004D/2075/Catastrophic Disaster Area Property Inspection Report (CDAIR) however Homebridge will accept the report from any appraiser as long as the original Appraisal Management Company assigns the appraiser (i.e. if the original appraisal order was placed through Assurant, the 1004D/2075/CDAIR must also be ordered through Assurant).

A 2075/CDAIR is also required on the following:

 Any property that received an appraisal waiver from DU or an automated collateral evaluation (ACE) from LPA.

NOTE: A 2075/CDAIR is not required on an FHA Streamline or VA IRRRL transaction

The 1004D, 2075, or CDAIR must comment on the effect the disaster had on the value and marketability of the subject property. In the event significant damage is indicated on the 1004D, 2075, or CDAIR additional conditions may apply.
