**Interest Rate Reduction Refinance Loan (IRRRL) General Information**

An IRRRL is a VA guaranteed loan made to refinance an existing VA guaranteed loan at a lower interest rate and payment than the existing loan with certain exceptions; refer to the [Interest Rate/Payment Requirements](#) for details.

Highlights of an IRRRL include:

- VA to VA refinance
- No Income
- No assets (unless borrower needs funds to close, then asset verification required)
- No ratios
- No termite inspection
- No monthly MI
- **Maximum loan term is the original term of the VA loan being refinanced plus 10 years. New loan term can never exceed 30 years and 32 days.**
- The refinance of a loan originated by Homebridge (HB to HB) is subject to VA guidelines **only**; Homebridge overlays do **not** apply.

**Credit qualification** (full tri-merged credit report and standard credit underwriting guidelines) **is required if:**

- The borrower’s PITI payment will increase by **more than 20%**

**If credit qualification required refer to the Homebridge [VA Program](#) matrix for credit qualifying criteria for topics not addressed in these guidelines.**

VA guidelines can be found at: [VA Lenders Handbook – VA Pamphlet 26-7](#)

**Important Note:**

- **ALL IRRRLs, regardless of application or submission date, must meet the seasoning requirements detailed in the [Mortgage Seasoning](#) topic, no exceptions**
- IRRRLs are also subject to specific requirements regarding fee recoupment, NTB, payment, and discount points. Refer to the following topics for details:
  - [Fee Recoupment](#)
  - [Net Tangible Benefit](#)
  - [Payment Test](#)
  - [Discount Points](#) (guidance **only** applies when the loan is going from a Fixed to ARM)
