If the subject property is located in one of the above counties and the appraisal was completed on or before the **End Date** (see date under “Re-inspection Required when Appraisal Completed” column) the following is required:

- An Appraisal Update and/or Completion Report (Fannie Mae Form 1004D), **OR**
- A Desktop Underwriter Property Inspection Report (Fannie Mae Form 2075), **OR**
- A Catastrophic Disaster Area Property Inspection Report (CDAIR). The Report name varies by AMC; refer to [Homebridge Bulletin 17- 23](#) for details, **OR**
- FHA Transactions **ONLY** with a **Case Number Assigned On or After August 19, 2024**: A Remote Observation (see the Appraisal topic in the Homebridge FHA guidelines for requirements), **AND**
- Homebridge will confirm the insurance is “fully in force” or “full bound” on the day of closing, **AND**
- VA transactions **only** (when appraisal was required): A signed Lender and Veteran Property Certification

Homebridge prefers the original appraiser provide the 1004D, 2075, CDAIR, or Remote Observation (**FHA transactions ONLY**) however, Homebridge will accept the report from any appraiser as long as the original AMC assigns the appraiser (i.e. if the original appraisal order was placed through StreetLinks, the 1004D, 2075 etc. must also be ordered through StreetLinks)

ALL TRANSACTIONS

- A **Borrower Affidavit of No Damage**, signed with the closing docs, is required for **all** transactions (regardless of whether or not an appraisal was obtained).
- If an appraisal waiver/ACE offer applies to the transaction, **all appraisal waiver/ACE offer requirements must be met** (refer to the FNMA/FHLMC guidelines posted on the [Products and Guidelines](#) page for complete requirements). **Additionally**, a drive-by appraisal is required **even if the appraisal waiver/ACE offer was retained**. If the appraisal waiver/ACE offer is **not** retained, **a full appraisal is required**, regardless of AUS findings
