Maximum Cash Back	\$500	\$500	\$500
DTI Considered	Yes Cannot exceed 31%/43% unless eligible HUD compensating factors are met	No	No

All Streamline transactions must have a net tangible benefit to the borrower.

- HUD defines a net tangible benefit **as any one of the following:**
 - A reduced combined interest rate*, **and/or**
 - A change from an ARM to a fixed rate mortgage, **and/or**
 - A reduced loan term

Refer to the Borrower Benefit topics immediately below for detailed requirements to meet eligibility

*NOTE: HUD defines the combined rate as the interest rate on the loan **plus** the monthly MIP rate (Refer to the Case Query on the previous case number). This requirement does not apply when the net tangible benefit is a reduced loan term

- Any net tangible benefit must result in a financial benefit to the borrower
- HomeBridge requires a copy of the existing Note **and** a statement from the current servicer confirming the existing loan type

Borrower Benefit - Reduced Combined Interest Rate and Conversion from ARM to Fixed Eligibility

The chart below identifies the reduced combined rate and converting from an ARM to a fixed rate eligibility requirements.

From	To	Requirement for New Combined Rate
Fixed rate	Fixed rate	New rate must be a minimum 0.5% below the prior combined rate
Fixed rate	Hybrid ARM	New rate must be a minimum 2% below the prior combined rate
Any ARM with < 15 months to next payment change date	Fixed rate	New rate cannot be > 2% above the prior combined rate
Any ARM with < 15 months to next payment change date	Hybrid ARM	New rate must be a minimum 1% below the prior combined rate
Any ARM with ≥ 15 months to next payment change date	Fixed rate	New rate cannot be > 2% points above the prior combined rate
Any ARM with ≥ 15 months to next payment change date	Hybrid ARM	New rate must be a minimum 1% below the prior combined rate

Borrower Benefit - Reduction in Term Eligibility

A **reduction in term, measured from the remaining term, of ≥ 3 years** also qualifies as a net tangible benefit if all of the additional following requirements are met:

- The loan must be going to a fixed rate product (fixed to fixed, ARM to fixed), **and**
 *NOTE: Term reduction is **not eligible** for a loan going to an ARM product (ARM to ARM, fixed to ARM)
- The remaining amortization period of the existing mortgage is reduced, **and**
- **Fixed to Fixed:** The new interest rate is below the combined rate interest rate, **or**
- **ARM to Fixed:** New rate cannot be > 2% above the prior combined rate, **and**
- The combined principal, interest, and MIP payment of the new loan does not exceed the combined principal, interest and MIP payment of the refinanced loan by more than \$50

NOTE: A term reduction of < 3 years is not eligible to satisfy NTB requirements
