- The FHA 203(h) Mortgage Insurance for Disaster Victims program is available to victims of presidentially declared major disasters (commonly known as a FEMA Disaster Declaration) to purchase or rehab/reconstruct a single family owner-occupied residence
- The program is offered in conjunction with the FHA 203(b) program purchase transactions
- To be eligible the borrower's current residence (either owned or rented) must be located within a county identified for **Individual Assistance** under a FEMA Disaster Declaration. Evidence the borrower lived in the impacted area is required (driver's license, utility bill, etc.)

- The FHA case number for the new loan must be assigned within one (1) year from the Disaster Declaration issue date
- The borrower's current residence must have been destroyed or damaged to such an extent that replacement (i.e. purchase of new home) or significant rehab/reconstruction is required. Evidence of the damage to the residence is required. Acceptable evidence includes, but is not limited to:
 - ✓ Copy of the insurance report, or
 - ✓ Inspection report by an independent fee inspector, or
 - ✓ Appraisal report/inspection, or
 - ✓ Photographs showing the destruction/damage

- Program limited to 1-unit owner-occupied single family residence (condos in FHA approved project eligible) only (**2-4 units ineligible**)
- Purchase transactions are eligible up to 100% LTV with no minimum borrower contribution in conjunction with the 203(b) FHA program
- DPA programs eligible for closing costs

- There are no special pricing adjustments for this product
- TOTAL Scorecard will return an “**Approve/Ineligible**” finding on a purchase transaction when the LTV exceeds 96.50%. The loan is **eligible** as long as the **only reason** for the “**Approve/Ineligible**” finding is due to the LTV (> 96.50% LTV to 100% LTV)
- 203(h) transactions are limited to fixed rate with 30 year term

- Standard FHA program 203(b) requirements apply unless noted below
 - ✓ The borrower's current residence (owned or rented) that was destroyed must be located a county identified as eligible for Individual Assistance in the FEMA Disaster Declaration
 - ✓ The subject property (property being purchased) is **NOT** required to be in the disaster area
 - ✓ Up to 100% financing with no down payment allowed
 - ✓ Up to 6% seller concessions allowed
 - ✓ DPA funds for closing costs eligible

- The existing mortgage payment (on the destroyed home) may be excluded from the borrower's DTI calculation when:
 - ✓ Documentation is provided indicating the borrower is currently working with the servicer regarding their current mortgage, **and**
 - ✓ Any property insurance proceeds are applied to the damaged home

- The borrower's overall credit will be reviewed and may be considered satisfactory if:
 - ✓ The borrower's credit report indicates satisfactory credit **prior to the disaster event, and**
 - ✓ Any evidence of derogatory credit occurred **after** the date of the disaster and is related to the effects of the disaster, including any late payments of the borrower's mortgage

NOTE: While FHA allows mortgage delinquencies prior to the disaster event Homebridge guidelines apply and the borrower **must have been current on their mortgage/housing prior to the disaster**

- Every effort should be made to obtain traditional documentation however if unavailable alternative documentation may be acceptable on a case-by-case basis
- Income earned from short-term employment obtained following the disaster may be included in the effective income calculation
