- **Income Documentation**

- ✓ **Wage Earner/Salaried Borrowers**

- Pay stub covering 30 consecutive days with YTD earnings
- Most recent 1 or 2 year's W-2s
- 1 or 2 year's W-2s transcripts
- Written VOE (when required to verify variable income sources)

**NOTE:** The most recent paystub(s) must be dated within 120 calendar days of the Note date  
This requirement applies to all wage earner/salaried borrowers paystubs as required on slides 18 and 19

## ✓ **Salaried Borrowers with Commission/Bonus or OT Income**

- A pay stub covering a minimum of 1 months' YTD earnings, **and**
- W-2s for previous 1 or 2 years, **and**
- W-2 transcripts for previous 1 or 2 years, **and**
- **A written VOE to confirm a 2-year average and proof continuance.** Commission/bonus income received for more than 1-year but less than 2-years years may be eligible on a case-by-case basis if documentation indicates continuance likely; **overtime income requires 2-years receipt**

**NOTE:** Homebridge management review and approval required for commission/bonus income received 1-2 years

## ✓ Self-Employed Borrowers:

### ➤ Method One

- ❖ One year most recent personal and business federal tax returns, including all schedules, that covers a 12 month period of self-employment
- ❖ A CPA/EA/licensed tax preparer prepared P&L/balance sheet (not required to be fully audited) covering the time from the end of the time the tax returns covered. A minimum 6 months time frame required **OR** YTD if it has been less than 6 months from the date of the tax returns

**NOTE:** If income trend is not stable or declining, 2-year's tax returns required

## ✓ Self-Employed Borrowers (cont.):

### ➤ **Method Two**

- ❖ Two years most recent personal and business tax returns, including all schedules
- ❖ Declining income will require an LOE and/or additional documentation including a P&L

### ➤ **Method One and Two:** Interim financials eligible for determining income; refer to guides for details

- **Other Income Types:** Refer to guidelines for eligibility
- **Asset Distributions:** Income from regular distributions from retirement and non-retirement accounts eligible. Refer to guides for complete requirements

- Bank Statement option is available for self-employed borrowers with > 25% ownership interest in a business  
**NOTE:** ITIN borrowers are eligible using the Bank Statement option
- 12 or 24 months personal or business bank statements eligible and statements from multiple accounts acceptable. The bank statements must be dated within the 60 days prior to the Note date
- Two (2) year self-employment history is generally required however 1-2 year self-employment history considered on a case-by-case basis when:
  - ✓ The borrower was in the same line of work for a minimum of 2-years prior to their self-employment, **and**
  - ✓ The borrower has an additional 6 months PITIA reserves, **and**
  - ✓ A minimum of 12 months bank statement supporting self-employment income required

## ■ Personal Bank Statements:

- ✓ Qualifying income is divided by 12 or 24 months (as applicable) to determine monthly income
- ✓ Three (3) months most recent **business bank statements** required to verify income is coming from the borrower's business. Transfers from only one (1) business account are eligible for qualifying
- ✓ If the borrower only utilizes a personal account for business activity, the above does not apply and the personal account will be treated as a business account when determining qualifying income
- ✓ Co-mingling of personal and business accounts is **not permitted**

## ■ Business Bank Statements

- ✓ Statements from multiple accounts is **not allowed** to meet the 12/24 month history requirement for a single business.

**NOTE:** Statements from more than one account may be eligible if the borrower switched banks in the prior 12/24 months (as applicable) and can provide documentation to evidence the accounts are for the same business

- ✓ Multiple businesses may be used to qualify provided each business is verified separately and the income is documented; the same calculation method must be applied
- ✓ The borrower(s) combined must own 25% or more of the business to use business bank statements
- ✓ Three methods are available for documenting income as detailed on the next slide

## ➤ **Method One: Uniform Expense Ratio**

- ❖ Multiply eligible deposits received by 50%
- ❖ The result obtained above is multiplied by the borrower's ownership percentage and divide by 12 or 24 (as applicable)
- ❖ If the expense ratio is reasonable for the borrower's line of work, no additional information required

**NOTE:** Rental income may be included as income when utilizing Method One. Refer to the Bank Statement option Other Income Sources topic in the Access guidelines for details

## ➤ **Method Two: Profit and Loss Statement**

- ❖ A P&L is provided by a CPA/EA/licensed tax preparer for the most recent 12 or 24 months as applicable
- ❖ If the deposits on the business statements support at least 75% of the gross receipts listed on the P&L the P&L may be used for qualifying the borrower using the pro-rata share of ownership

## ➤ **Method Three: CPA Letter for Expense Ratio**

- ❖ A CPA/EA/licensed tax preparer letter is provided that indicates the business expense ratio based on the most recent year's tax return

**NOTE:** The CPA letter **cannot** include any disclaimers as to the accuracy of the information

- The following applies to both personal and business bank statement options:
  - ✓ **Co-Mingled Accounts:** Co-mingling of personal and business accounts is **not** permitted
  - ✓ **Non-Sufficient Funds (NSF):** Excessive NSFs require a written explanation from the borrower. The following applies:
    - 12 months bank statements:
      - ❖ Maximum 6 NSF **instances\*** in past 12 months
      - ❖ 7 or more NSF **instances\*** in past 12 months, loan is **ineligible**
    - 24 months bank statements:
      - ❖ Maximum 12 NSF **instances\*** in past 24 months
      - ❖ 13 or more NSF **instances\*** in past 24 months, loan is **ineligible**

\*NSF “**instances**” are defined as a time period where the account is overdrawn and subsequently brought current (i.e. funds are deposited to bring the account balance positive) One instance may have multiple NSFs during that period but all occur within the same time period prior to the account being brought current. If the account becomes overdrawn again, that is considered a second “instance”

## ✓ **Income Trend:**

- Bank statements should show a stable or increasing trend
- If the trend is declining and/or irregular a detailed letter of explanation required
- A decline in deposits  $\leq 25\%$  is allowed over the following time periods:
  - ❖ 12 months bank statements: 6 months
  - ❖ 24 months bank statements: 12 months

**NOTE:** A decline in income  $> 25\%$  over the above time periods requires Homebridge management review and approval

Refer to the Income Trend topic in the Bank Statement Option for the deposit trend calculation requirements

- Borrowers who are **not** self-employed and **derive income from their investments** (trusts, distributions from a partnership, dividends, etc.) are also eligible under the bank statement program
  - ✓ Any significant employment generated must come from the co-borrower
  - ✓ 24 months **personal** bank statements required to document income received
  - ✓ The borrower must provide documentation of the source of the income and its continuance:
    - Brokerage statements to document ownership, **and/or**
    - Copy of trust agreement and/or trustee's statements, **and/or**
    - CPA letter confirming borrower owns assets generating income and detailed narrative of the income stream from the borrower

- The Investor Cash Flow (ICF) option uses the rental income from the **subject property** to determine cash flow
- Income and employment are **not** verified and DTI is **not** calculated
- Loans using the ICF option are not subject to ability-to-repay or HPML requirements as they are considered business purpose loans
- Reserves required; refer to slide 67 for requirements
- Qualify on the debt service coverage ratio (DSCR) of the subject property
- Minimum DSCR determined by LTV/Loan Amount/FICO score; refer to the ICF guidelines for complete details
  - ✓ Credit score 620-639 requires 12 months PITIA reserves
  - ✓ Short-term rental transactions minimum 1.15 DSCR required
  - ✓ DSCR < 1.00, 3 months **additional** PITIA reserves required
  - ✓ DSCR 0.75 to 1.00 **and** interest-only maximum 70% LTV; < 0.75 DSCR ineligible when using the IO feature
  - ✓ 2-4 Unit Properties and DSCR < 1.00: Maximum 70% LTV

- First time home buyers (**all** borrowers are FTHB) **ineligible**
  - ✓ Transactions involving a FTHB and a non-FTHB considered on case-by-case basis with Homebridge management review and approval
  
- At least one borrower must have a documented 12 month history managing rental properties (see exception on next slide)
  - ✓ Ownership/management of commercial property, is acceptable to satisfy the 12 month history requirement if the borrower is a majority owner of the property
  - ✓ The 12 month management history is **not** required to have been in the most recent 3-year period

- 12-month history of owning and managing rental property may be waived subject to:
  - ✓ Borrower must currently own a primary residence, **and**
  - ✓ Minimum 680 credit score, **and**
  - ✓ Minimum 1.00 DSCR based on a 30 year amortizing payment, **and**
  - ✓ 0x30 in previous 12 months on all housing trade lines as of loan application date,  
**NOTE: Refinance transactions seasoned for < 12 months, the subject property must be current with no late payments, and**
  - ✓ No mortgage forbearance with a missed payment in the most recent 12 months prior to the application date
  - ✓ At underwriter discretion request a motivation letter or other documentation to establish the loan as a business purpose loan

## NOTES:

1. The above requirements apply to **all** borrowers on the transaction. In the event all borrowers do not meet all the requirements, additional documentation will be required to confirm the transaction is a business purpose loan
2. Foreign National borrowers are **not** eligible for the exception; FN borrowers **must have a 12 month history of owning and managing rental properties**

- Acceptable documentation of 12 month management history includes leases or CPA letter confirming management history
- Borrower may own up to 15 financed properties, including subject; > 15 ineligible
- Reserves not required on **other** financed property on the ICF option

- The debt service coverage ratio (DSCR) is:
  - ✓ The *gross rent* **divided by** the qualifying **PITIA** payment on the subject property which **equals** the DSCR
    - Calculation Example of DSCR using PITIA:***
      - Gross Rent: \$2,000
      - PITIA (subject): \$1750
      - Calculation: \$2,000 divided by \$1750 = 1.143 DSCR
  - ✓ Calculating the DSCR on interest-only transactions:
    - Eligible if the LTV is  $\leq 75\%$   
**NOTE:** LTV  $> 75\%$  requires DSCR to be calculated using full PITIA payment
    - The gross rent **divided by** the qualifying **ITIA** payment on the subject property

## ■ Determination of Rents

### ✓ Purchase transactions use 100% of the lesser of:

- The current rent (if currently rented, leases must be provided), OR
- Market rent as determined by the appraiser if unit not currently leased

**NOTE:** An expired lease, which either contains language, or per state law, that converts the lease to month-to-month is acceptable

- ✓ In the event a property is subject to an at-will tenancy without a written lease agreement, which will continue after closing, a signed letter **from the seller of the property**, detailing the terms of the agreement, including the tenants name, address, amount of monthly rent is acceptable. The rental income utilized cannot exceed the market rent as determined by the appraiser
- ✓ If a tenant is in place with a lease, which will commence within 60 days of purchase, the lease may be considered when determining the rent. A copy of the executed lease, and proof of receipt of 1 month's rent and/or security deposit is required. The rental income utilized cannot exceed the market rent as determined by the appraiser.

## Determination of Rents (cont.)

### ✓ Refinance transactions use 100% of the lesser of:

- Current rent (if currently rented, leases must be provided), **OR**
- The market rent as determined by the appraiser, if vacant

#### **NOTES:**

1. A lease is not required if the subject property has completed a recent renovation and/or is listed for rent
  2. An expired lease, which either contains language, or per state law, that converts the lease to month-to-month is acceptable
- ✓ In the event a property is subject to an at-will tenancy without a written lease agreement, a signed letter from the borrower, detailing the terms of the agreement, including the tenants name, address, amount of monthly rent, and the length of time the agreement has been active, is acceptable. Documentation that confirms the receipt of the most recent month's rental income required.

## ■ **Determination of Rents (cont.)**

- ✓ If the property is leased for more than the appraiser's opinion of market rents, the lease amount (up to 125% of market rents) may be used provided the lease will continue for at least six (6) months after the Note date **and** the timely receipt of the three (3) months of rents due prior to the application date are documented. Acceptable documentation includes copy of check, bank statements, etc.
- ✓ If a tenant is in place with a lease, which will commence within 60 days of closing, the lease may be considered when determining the rent. A copy of the executed lease, and proof of receipt of 1 month's rent and/or security deposit is required. The rental income utilized cannot exceed the market rent as determined by the appraiser.

## ■ **Determination of Rents: Short Term Rentals** (cont.)

- ✓ Short-term rental income (Airbnb, VRBO, HomeAway, etc.) eligible subject to the following:

- **Purchase Transactions and Refinance Transactions:**

- ❖ Both purchase and refinance transactions require a short term rental analysis form. FNMA Form 1007 is **NOT** acceptable to document short term rental income
- ❖ Appraisals must be ordered from one of the AMCs listed below and the appraisal report must include a short term Rental Form as noted
  - **Class Valuation:** Appraisal with a **Short-Term Rental Projected Income Analysis** form, **OR**
  - **Nationwide Appraisal Network:** Appraisal with a **Narrative Short Term Rental Rent Analysis** form
- ❖ A minimum of **three (3)** comparable sales must be provided

## ■ Determination of Rents: Short Term Rentals (cont.)

### ➤ Purchase Transactions:

- ❖ The subject property must be in a short term market area  
NOTE: Short term rental income is not eligible for properties located in any jurisdiction where local/state law bans or restricts
- ❖ 100% of the short term market rents, as determined by the appraiser, are used to calculate the DSCR
- ❖ Minimum 1.00 DSCR required
- ❖ Minimum 700 credit score
- ❖ Maximum 75% LTV for borrowers with a minimum 1-year experience operating a short term rental
- ❖ Maxim 70% LTV for borrowers with < 1-year experience operating a short term rental property
- ❖ Escrow/impound account **required** (waiver not allowed)

## ➤ Refinance Transactions:

- ❖ Minimum 1.00 DSCR required calculated based on average deposits over 12 months including months with zero deposits
- ❖ Minimum 700 credit score
- ❖ Maximum 70% LTV
- ❖ Escrow/impound account **required** (waiver not allowed)
- ❖ 12 months documented payment history from a third-party property management provider required (see exception on next slide)
  - ✓ The payment history from the third-party **must** clearly identify **the subject property address** (property ID#/property description alone are **not** acceptable)

## ➤ Refinance Transactions:

### Exception to 12-month history requirement:

- ✓ 100% of the short term market rents, as determined by the appraiser, are used to calculate the DSCR when any of the following applies
  - The subject property is self-managed, **OR**
  - The short term rental history is > 12 months and the payment history cannot be provided from a third party property management provider, **OR**
  - There is < 12 month short term rental history

- The Asset Qualifier option allows borrower to be qualified based on their liquid assets or assets that may be liquidated without restriction. ATR and HPML requirements apply
- Asset Qualifier is available for purchase and rate/term transactions **only; cash-out ineligible**
  - ✓ Maximum 75% LTV and minimum 700 credit score required
- Primary residence **only**; ineligible on second home and investment properties
- Significant derogatory credit event requires 5 years seasoning
- There are three methods for determining asset qualification:
  - ✓ **Method One:** Total post-closing must equal 125% of all outstanding mortgage debt for which the borrower is personally liable
  - ✓ **Method Two:** Total post-closing assets must equal 120% of the subject property loan amount **plus** 30% of all other outstanding debt (mortgage and consumer)
  - ✓ **Method Three:** The borrower must have total liquid assets the cover the sum of 100% of the loan amount, **plus** 60 months of total debt service (do **not** include PITIA for subject or rental properties) **plus** 60 months of net loss on rental properties
- Income and employment **not** verified, and DTI not calculated; debt service is considered
- Asset balances must be verified within 120 days of the Note date

- Eligible assets include:
  - ✓ Cash and cash equivalents at 100% of face value
  - ✓ Marketable securities (**excluding unvested** RSUs and Stock options) at 80% (minus any outstanding margin loans, if applicable)
  - ✓ Cash surrender value of an Annuity
  - ✓ Retirement funds:
    - Borrower not at retirement age (< 59 ½ ): 70%
    - Borrower is at retirement age (59 ½ +): 80%
  - ✓ Cash value of a vested life insurance policy: 100%
    - If used for reserves, the cash value must be documented but liquidation not required
  - ✓ Cryptocurrency assets eligible subject to **Homebridge management review and approval**. The following applies:
    - Cryptocurrency must be liquidated and deposited into a U.S. bank/financial institution **OR** a bank/financial institution identified on the Acceptable Bank List for Foreign Credit/Assets (see Exhibit A to the Access Guidelines for eligible institutions) **and be seasoned for a minimum of 60 days**
  - ✓ Proceeds from the documented sale of any assets owned by the borrower over the prior 6 months

- Documentation of the liquidation of funds needed for down payment and closing costs, and the ending balance is required
- The borrower may only use their proportionate share of any account held jointly with a person not on the loan. If no percentage stated, it is assumed the account is divided equally among the account holders
- Ineligible assets include:
  - ✓ Business funds (eligible for funds to close only)
  - ✓ Non-liquid assets (cars, artwork, business net worth, etc.)
  - ✓ Face value of life insurance policies
  - ✓ Unvested restricted stock
  - ✓ Stock options, unless exercised

- Gift funds are eligible for down payment and closing costs on purchase transactions. Gift funds may be considered for closing costs on refinance transactions on an exception basis
- Gift funds may **not** be used as an eligible asset to meet Asset Qualifier requirements

- The 1099 Only option is available for borrowers who are an independent contractor and receive a 1099 at year-end or receive income from commission
- One or two years 1099s may be provided.
  - ✓ The 1099(s) must cover a complete calendar year
- The borrower's primary income source (> 50% of qualifying income) must be 1099 income minus the applicable expense ratio
- The 1099 income must be recurring i.e. income that is part of the borrower's normal and recurring income stream
- 1099s issued to an entity, instead of the borrower, the borrower must have **100% ownership** in the entity, documented by an acceptable third party
- Income from a co-borrower who does not utilize 1099s is eligible to supplement the 1099 income

- Other income sources eligible to supplement 1099 income (see guidelines for complete details) but the 1099 income must be the borrower's primary source of income (> 50% )
- Two (2) year's employment history must be verified by one of the following:
  - ✓ Written VOE, or
  - ✓ CPA letter, or
  - ✓ Documentation determined acceptable by Homebridge based on the borrower's circumstances
- YTD income must be documented within 120 calendar days of the Note date by one the following:
  - ✓ A paystub or check(s) showing YTD income, **OR**
  - ✓ Bank statements showing receipt of YTD income

- Transcripts for the number of years of 1099s submitted required
- There are three (3) income calculation methods:
  - ✓ **Method One: Uniform Expense Ratio**
    - Eligible gross receipts are multiplied by 25%
  - ✓ **Method Two: Profit and Loss**
    - A third-party prepared P&L covering the same time period as the 1099s required
    - If the gross income of the 1099s support a minimum of 90% of the gross income listed on the P&L the net income on the P&L is used for qualifying
    - If 2 years 1099s are provided and the gross income shows a declining trend a P&L covering the most recent calendar year must be provided and used for qualifying

## ✓ **Method Three: CPA Letter for Expense Ratio**

- A third-party prepared letter stating the borrower's expense ratio based on the borrower's most recent year's tax return
- The expense ratio is multiplied by the gross income shown on the 1099(s) used for qualification. That figure is subtracted from the gross income listed on the 1099(s) and the resulting number is used to qualify, averaged over the number of months of income provided
- If 2-years 1099s provided, and the gross income shows a declining trend, the income will be calculated using the most recent year's 1099 only minus the stated expense ration

NOTE: For all income calculation methods, the income must be reasonable for the borrower's line of work

- P&L Only is available for self-employed borrowers with a minimum of 2-years self-employment
- Borrower's tax returns/P&L must be prepared by an independent entity; **self-employed borrowers who complete and file their own tax returns/P&L are not eligible**
- **Minimum 660 credit score**
- **Maximum 80% LTV and maximum \$3,000,000 loan amount**
- The most recent 12-month unaudited P&L required and the P&L end date must be  $\leq 90$  calendar days prior to the Note date
- Borrower must have  $\geq 50\%$  ownership in the business. Ownership is cumulative for all borrowers (i.e., if borrower 1 has 25% ownership and borrower 2 has 25% ownership, the  $\geq 50\%$  ownership requirement has been met)
- A letter detailing the nature of the business, signed and dated by the borrower, is required

- Borrower(s) **ownership interest** must be documented by one of the following acceptable individuals (**only** individuals with the below licenses are acceptable):
  - ✓ Certified Public Accountant (CPA), or
  - ✓ IRS Enrolled Agent (EA), or
  - ✓ California Tax Education Council (CTEC), or
  - ✓ The Operating Agreement
- Qualifying income is the **lower of**:
  - ✓ The income based on the 12 month P&L, **OR**
  - ✓ The monthly income disclosed on the **initial**, signed 1003
- The net income is calculated from the P&L based on the borrower(s) percentage of ownership (e.g. if the borrower(s) have 65% ownership interest, the qualifying income is the net income calculated using the P&L multiplied by 65%)

- **P&L must be prepared by an independent entity** (borrower prepared are **not allowed**)

Acceptable entities include:

- ✓ Certified Public Accountant (CPA),
- ✓ Enrolled Agent (EA), or
- ✓ California Tax Education Council (CTEC)\*,

## **NOTES:**

- 1. Only entities with the above licenses are acceptable; individuals with only a PTIN are not eligible**
2. \*See next slide for specific requirements when P&L prepared by CTEC

- A copy of the CPA/CTEC/EA active license must be included in the loan file. A screen shot from the [IRS EA website](#), validating the enrolled agent credentials is acceptable documentation to include in the loan file
- The P&L must be signed by both the borrowers(s) with an ownership interest **AND** the preparer (non-owner borrowers are **not** required to sign)

- **CTEC Prepared P&L ONLY** (the below **does not apply** to a CPA or EA prepared P&L): **One** of the following will be required:

1. The transaction must meet the following requirements:
