Appraisals (cont.)

Comparable Sales

- Comparable sales should be located within 1 mile of the subject property in urban/suburban areas. If 2 of the 3 comparable sales used by the appraiser are > 5 miles from the subject property the property will be considered rural. The appraiser must provide an explanation for using any comparable outside the subject property neighborhood.
 - The comparable sales must represent the best market data available to support the property's estimated value and should be as similar to the subject property as possible.
 - Comparable sales for a new subdivision or condominium project require a minimum of 1 comparable sale from inside the new subdivision/ project and 1 comparable sale from outside the subdivision/project.
 - Comparable sales used must have a recent sales date, preferably within 6 months of the subject property's sale date. Any comparable sales > 6 months old require comment from the appraiser on market conditions. If necessary to use older comparable sales the appraiser must supplement them with pending sales and/or current listing in the subject property neighborhood
 - A minimum of 3 closed comparable sales is required. The sources of the closed comparable sales used in the appraisal are subject to the following requirements (excluding rural areas and/or Maine, New Hampshire and Vermont; see **NOTE** below).
 - **At least one of the comparables must be from the [Multiple Listing Service \(MLS\)](#)**
 - The remaining comparables must be from one of the following entities:
 - o [Comps Inc.](#), or
 - o [Property Navigator](#) (NY only – formerly GeoData), or
 - o [PropertyShark](#) (NY only), or
 - o [StreetEasy](#) (NY only)
 - **If at least one comparable is not from the MLS, the appraisal will require review by the Homebridge Appraisal Dept. and a desk review will be required**
- NOTE:** Comparables from a **public independent source** are **eligible** in rural areas **and/or** in Maine, New Hampshire, and Vermont where MLS is not common; the above policy does not apply
- Comparable sales used for new construction properties are subject to the following:
 - If all three of the comparable sales used to support the value of the subject property were obtained from one of the above sources (public source eligible in Vermont and Maine only) no further action is required.
 - If the comparable sales are not all obtained from a MLS, MRIS, MRED, NTREIS, or from an independent source (Vermont and Maine only), the appraiser must comment that the subject property development is being marketed in an "open" or "public" environment (i.e. newspaper advertisements, billboard signs, website, etc.).
 - Additionally, the following applies:
 - One of the comparable sales must be outside the project the subject property is located in and be from one of the above options (public source Maine/New Hampshire/Vermont rural areas only).
 - Two of the comparable sales must be from sources other than the subject property builder.
- NOTE:** The appraiser is always allowed to provide more than three comparable sales in order to support the property value.
- **Declining Markets:** A 5% LTV reduction is required if the LTV is > 65%; refer to the [Declining Markets](#) topic for requirements
 - **Rural Property:** Ineligible
 - **Acreage:** Maximum 5 acres; must be typical for the area and value/marketability is supported by appraisal comparables of similar acreage

- Additionally, title cannot reflect any liens related to the ownership or maintenance of the solar panels that will result in a lien superior to Homebridge

Refinance Transactions

All refinance transactions must provide a bona fide benefit to the borrower

Rate/Term Refinance

- Rate/term refinance transactions do not have a seasoning requirement
- **Properties Listed for Sale: Properties listed for sale in the previous six (6) months are ineligible**
- A rate/term transaction is eligible for the following:
 - Payoff of the existing first lien, including closing costs, prepaids and points
 - The maximum cash-back to the borrower is limited to **the lesser of** 1% of the balance of the new loan amount **OR** \$5,000

NOTE: Payoff of debt at closing with any portion of the cash-back from the rate/term transaction will result in the loan being considered a cash-out refinance
 - Payoff a first lien and purchase money subordinate lien. Documentation must be provided that the entire subordinate first lien was used to purchase the property
 - Payoff of any subordinate lien or HELOC seasoned > 6 months that has not had draws > \$5,000 in the previous 6 months
 - Buying out the equity position of a co-owner as a result of a court order (the borrower does not need to be a signer on the current Note)
- **LTV Determination:** Refer to the chart in the [Appraisals](#) topic for LTV determination requirements
- Principal curtailments must be the **lesser of** \$10,000 or 1% of loan amount

Cash-Out Refinance

A cash-out refinance is a refinance that does not meet the rate/term definition and would include a refinance where the borrower receives cash that exceeds the lesser of 1% of the new loan **or** \$5,000 **OR** does not meet the rate/term refinance requirements stated under the Rate/Term Refinance topic

- **Properties owned for < 6 months (Deed date to Note date) are ineligible**
- **Properties Listed for Sale: Properties listed for sale in the previous six (6) months are ineligible**
- Maximum cash-out: \$750,000
- **Cash-out proceeds may ONLY be used for business purposes; cash-out proceeds cannot be used to pay off any consumer debt**
- Cash-out proceeds are defined as:
 - The net cash funds received by the borrower at closing (per the CD), **plus**
 - The funds used to pay off unseasoned subordinate liens on the subject property
- **LTV Determination:** Refer to the chart in the [Appraisals](#) topic for LTV determination requirements
- Cash-out eligible to satisfy reserve requirements
- Properties owned free and clear are always considered a cash-out refinance.

Delayed Financing (aka Technical Refinance)

Delayed financing recoups funds used to purchase a property with cash in the previous 6 months. Delayed financing eligible as a **rate/term refinance** transaction subject to the below:

- The Closing Disclosure of the cash transaction must be provided
- Cash used for the purchase must have been the borrower's own funds and must be documented

NOTE: Recoupment of gift funds is not allowed as gift funds are considered cash-out
- Maximum proceeds cannot exceed the borrower's documented cash investment
- The LTV will be calculated using the **lower of**:
 - The purchase price, or
 - The appraised value unless the appraiser can justify and support an increase in value
- Recoupment of funds used for property improvements. The improvements must be documented (e.g. invoices, proof of payment with cancelled checks, etc.) and completed in the previous 6 months. Funds used for improvements must have been the borrower's own funds.
- Cash-out cannot exceed the amount of the documented cash improvements or else the transaction will be considered cash-out. A current appraisal required and the LTV is based on the appraised value
